Perfect Year

In life, as well as sports, having a perfect experience in any area can be difficult. As of 2009, there have been 18 perfect games thrown in Major League Baseball. Every pitcher starts the game with the hope of being perfect, but not many ever accomplish this goal. Many are still extremely successful, without ever being perfect. This year, we will try to accomplish the goal of a perfect year.

What do you need to focus on to obtain your perfect year? What classes will require more focus? What behaviors will you need to strive to change? Explain what you will need to do in order to move towards your perfect year.
